

NOTICE OF PUBLIC INFORMATION CENTRE HIGHWAY 427 EXPANSION PROJECT

THE PROJECT

LINK427 has been selected by the Ministry of Transportation (MTO) and Infrastructure Ontario (IO) to undertake the design, build, finance and maintenance of the Highway 427 Expansion project from Finch Avenue to Major Mackenzie Drive within the City of Vaughan and the City of Toronto.

The Highway 427 Transportation Corridor Environmental Assessment (EA) received approval from the Ministry of Environment and Climate Change (MOECC) in November 2010. The project was updated through completion of a Transportation Environmental Study Report (TESR) in 2016 to add additional lanes to the proposed Highway 427 extension. A separate TESR was completed in 2013 for the widening of the existing Highway 427 between Albion Road to Highway 7.

PUBLIC CONSULTATION

This first Public Information Centre (PIC) will introduce the elements of construction which will be contained in Design and Construction Reports, to be tabled after this PIC. The PIC is to provide agencies, interested groups, business representatives and members of the general public with an opportunity to review and comment on the design details, results of the consultation process, construction staging and environmental impacts and mitigation measures. Members of the project team will be available to discuss the project and answer any questions.

The first PIC is scheduled as follows:

Date: January 25, 2018
Location: Element Hotel - Vaughan Southwest
6170 Highway 7, Vaughan
Vaughan, Ontario
Time: 4:00 pm to 8:00 pm

THE PROCESS

This project is being carried out in accordance with the approved environmental planning process for Group 'A' projects under the *MTO Class Environmental Assessment (Class EA) for Provincial Transportation Facilities* (2000). In accordance with MTO's Class EA, DCRs will be prepared with input from this PIC and will be made available for public review.
